Comment: Dear Sirs

I attended the Sub-Planning Committee meeting last night when this planning application was discussed.

I would like to draw your attention to the following. On page 115 of the Public reports pack 22nd-May-2017 19.45 South Area Planning Sub-Committee the following paragraph was included.

37. One of the objections stated that an application to Historic England for the statutory listing of the existing building would be submitted. An update will be provided at the Sub-Committee meeting.

Could I ask why this wasn't addressed at last night's meeting?

I submitted my application to Historic England and am working closely with them to progress the application.

Kind regards.

Susan Speece
