Dear Ms Goult

I uploaded a further question to the portal in relation to the planning application to which I have received no response.

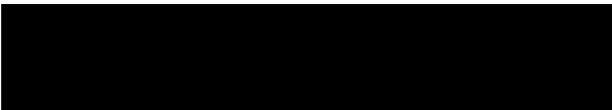

To recap - Mr Joel is advertising the site with 2 x four bedroom houses and 2 x two bedroom houses for sale. I understand he is already showing prospective buyers the site. I have asked the Council to point me in the direction of the plans for the 2 x two bedroom houses as I can't find them.

Could you respond please?

Kind regards.

Susan Speece
