Comment: I object to this application as it does not fit in with the area at all. The traffic alone on an already congested route alone would be horrendous. The fact they are not even considering parking for a hotel!! What plsbet do they live on? Have they even bothered to come to the area, especially by train... If theyre lucky that is, as they hardly ever run.

Sorry but the whole thing is an eyesore, not an asset to the community at all, and just a quick money making scheme for the developers, who won't be affected at all once they've built it and gone.
