Comment: Whilst some development is needed, the style, density and height of the proposed development is totally out of keeping with the area

The riverside setting of Hampton Court and East Molesey is uniquely attractive and would be ruined by this development

The views from Hampton Court Palace would also be ruined

Traffic and parking issues in this area are already significant and a planned development of this nature and density would make it worse.

There is no requirement for another hotel in the area as the Palace attracts day trippers
