Comment: I am really very distressed to hear about the redevelopment by Hampton Court Station area. Alongside Hampton Court Palace, the site is of great historical interest and enjoys a huge flow of visitors throughout the year. The addition of a hotel and numerous apartments will spoil the architectural landscape of the area as well as causing a greatly increased traffic flow which already suffers from considerable blockages in the mornings and evenings. I find it astonishing that the historical significance of a key area of natural beauty can be held in such little regard and pray that permission for this strange redevelopment will not be passed. Thank you for your attention to my concerns. Clive Holland
