**Comment type:** You object to the planning application

**Date of comment:** 25 Feb 2019

**Comment:** I object to this plan for the following reasons:

- There is already a lack of parking in close proximity due to new flats. This application for Aldi will reduce parking further.
- There is little space for loading and turning at the back of this building. Wilkinson's and Benson for Beds vehicles already struggle and has often resulted in a brick wall being knocked down.
- The current deliveries of Wilkinson's and Benson for Beds don't cause too much noise disturbance but when there was a Waitrose where Benson for Beds were the noise disturbance was awful due to the frequency and time of deliveries and I believe this would be the case again. The deliveries caused disruption to sleep and the sound was unbearable!
