Comment: I am concerned about the insufficient number of parking spaces -for all commuters, residents ,hotel guests and staff. The local streets are already choked with parked cars on a normal weekday prior to the additional demand which will be created by this development. There is no green space in front of the hotel as it is set right onto the pavement which enhances its bulk/ mass form on what is currently a more or less open piece of land.

The majority of properties along the whole of the Hampton Court way have a green verge in front of them.
