Comment: The site of the Jolly Boatman is a disgrace and has been for 25 years, and I would like to see something sympathetic done to improve the area. However, I do not support this development because it is not in keeping with the area.

I do not agree with the general size of the development.

I do not agree with the size/height/design of the buildings.

I think the increase in traffic coming on to Hampton Court way will be chaotic and dangerous.
