Comment: I object to the development for the following reasons;

- for the loss of the green space on Cigarette Island where we often walk, picnic, take the dog, etc
- I support updating the station and the development of a café, shops, restaurant to take advantage of the wonderful view from the Jolly boatman site over the river to the palace
- the establishment of a hotel/apartments/car park would cause increased traffic congestion over what is already a very busy bridge / station forecourt / roundabout.... and would hate to think what this would be like at the time of the flower show ? Hampton Court Food Fairs, Christmas festivities and all other events held at the palace
