Application number: 2019/1219

Application address: Bridge Road (southwest of junction with Arnison Road) East Molesey
Surrey KT8 9HY

Name: Miss Hunt

Address: 27 Arnison Road, East Molesey, Surrey, KT8 9JF

Comment type: You object to the planning application

Date of comment: 22 May 2019

Comment: We object strongly to this installation on the grounds of health and safety. It is completely inappropriate to erect a mast of this type with its ancillary equipment in an area that is very residential and that includes a school for young children just 100 yards away. A number of European countries are refusing to accept 5G systems in their entirety until more research is done into the level of electro magnetic radiation that will be generated. Yet this proposal suggests the installation of such a system very close to housing and a place of education for primary level children. The proposal must be rejected.
