Comment type: You object to the planning application

Date of comment: 23 May 2019

Comment: I object to the proposal to on the basis that it would be detrimental visually to the local conservation area and potentially to threaten the health and well-being of children attending the Orchard School and local residents, especially given the density of occupancy of the listed Kingfisher Court and Boleyn Court. More suitable brown field sites could be identified in the Borough.

Sincerely

Stephen Hawkins
