[I was unable to submit my comments online, as the page was 'unavailable'.

We wish to object to the proposed MAST + DISHES in front of the flats @ Boleyn Court.

Our cottage (c. 1720) is immediately next to Boleyn Court and we are inside the Conservation Area. We are also classified as a 'SIGNIFICANT UNLISTED BUILDING' on the Conservation Area TOWNSCAPE MAP, and part of what is recognised as being part of 'Views looking North along Bridge Road of historical interest'. (2 of our row of four cottages are LISTED)

If this development goes ahead, and the mast + dishes are erected as proposed, then it would completely ruin the 'Views and Townscape Interest' that is here at the moment.

All anyone would see would be a huge, ugly blot on the landscape!

What is the point of having a Conservation Area but then completely disregarding it?

Surely this MAST ought to be placed somewhere else, other than in this proposed, completely unsuitable, spot. Enough of old East Molesey has been spoilt - Please reconsider.
