Comment: I object to the proposed comms. base station and mast in Bridge Road

1. It will be ugly and visible from my bedroom and living room windows - 15m is too high
2. The location is totally unsuitable in a residential area and is opposite a listed building.
3. The residents of Boleyn Court have greatly improved the appearance of the block and grounds and the mast will be an eyesore.

There must be a more suitable site which isn't residential to accommodate a 15m industrial mast.
