9th May 2019

Town & Country Planning Act 1990

Development Permitted by Part 24 of Schedule 2 to the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended)

Applicant: **MBNL (EE Ltd and H3G UK Ltd)**

Proposal: **Prior Notification Telecom - Installation of a 15m high monopole incorporating shrouded antenna and supporting 2no. external dishes and ancillary development.**

Location: **Bridge Road (southwest of junction with Arnison Road) East Molesey Surrey KT8 9HY**

Application Number: **2019/1219**

Application Type: **Prior Notification Telecom**

Your application for a determination as to whether prior approval is required received on **30 April 2019** was formally registered as valid on **01/05/2019**.

This Council hereby determines that the prior approval of the local planning authority is required for the siting and appearance of the development proposed in the above-mentioned application. It has been given the application number quoted above and this should be referred to in all correspondence. The name of the Case Officer who will process your application is Alison Lavin. Would you please check the address and description of the proposal and if there are any errors let the Case Officer know immediately.

If you have not already done so, please supply the following information within the next seven days:

1. A coverage plot in colour of this operator's existing signal strengths in this locality
2. A coverage plot in colour of the signal strength to be emitted by this proposal
3. A combined coverage plot in colour showing the resulting signal strengths if this proposal was implemented.
4. (a) whether you have considered mast sharing
(b) if so, with whom and where
(c) if not, why not?
5. Confirmation that the equipment will comply with ICNIRP radiation guidelines.

The application plans and details will be displayed on the Council's website at www.elmbridge.gov.uk/planning (Please allow 5 working days from registration of the application). Progress on the main stages in determining the application can also be tracked.

Progress on the main stages in determining the application can also be tracked.

Yours faithfully

Kim Tagliarini
