YOUR COMMENTS ON THE CASE

I object because Brussels, Italy, Germany and The Netherlands have all refused to use 5G until more research is done into the human electromagnetic radiation effects. In an appeal to the European Union, more than 180 scientists and doctors from 36 countries have warned about the danger of 5G, which will lead to a massive increase in involuntary exposure to electromagnetic radiation. The scientists have urged the EU to follow Resolution 1815 of the Council of Europe, asking for an independent task force to reassess the health effects. Why should we be guinea pigs to potential harmful cancer giving technology
