Comment: I lived in East Molesey for 22 years, I own a flat on Bridge Road with views of the palace which will be blocked. This proposal will be an eyesore, block views of Hampton Court Palace for established residents of East Molesey, cause problems for local residents with more traffic and pollution and put small local businesses out of business. It's an ugly building not in keeping with the area. No vision, very brutal appearance not eco friendly and not even a modern attractive design. It will definitely not be affordable housing due to location in a prime area. I have objected previously some years ago.
