**Comment:** Once again an over development planned that is totally not in keeping with its surroundings. It's a huge ugly monstrosity! Can't you work with sensitive architects? Proposed near a river, so flooding is possible. Damage to wildlife, more traffic ! Many reasons why this needs to be opposed and re thought. There is already a huge hideous retirement home being planned for Hurst lane I believe!

Once these go ahead there is no return so please get it right if you need more buildings! Consult Prince Charles team/ he at least plans sensitively.
