Comment: This proposed development is not in keeping with the local amenity.

Orchard Lane cannot deal with any increase in traffic or parking.

The proposed development is far too dense and the increased traffic implications will not only be detrimental to the relative peacefulness of this area which is enjoyed by many walkers with children but will have major implications for pedestrians safety.

Public transport, i.e. bus services are abysmal (virtually non-existent) between Orchard Lane and the local railway stations, or local shops.
