**Comment:** There are too many flats at this end of Oatlands drive. Most owners have 1 or 2 cars. Oatlands drive is already blocked at peak times. Worse on a Saturday. 214 new apartments under construction next to this plan for 33. That's potentially over 300 more cars entering a contested area. Particularly at the junction with left flow and lights. This area cannot cope with more traffic entering and leaving at this junction. We need a traffic assessment report for this area and the impact of potential 300 more cars entering daily. Thank you.
