Comment: Highly support this application. The need for housing in the Weybridge area speaks for itself, and as a young professional looking to move to the area from Runnymede to start a family, these sorts of developments offer me the opportunity to do so & start building a life in Weybridge. I believe the design is in keeping with the local area, the housing will provide some much-needed support to local business & will give others, like myself, the opportunity to get settled in Weybridge. I truly hope we can see this development approved - it's exactly what Weybridge needs.
