**Comment:** I completely disagree with this development. There are already 51 Flats being built at 8-14 Oatlands Drive and if any more flats are built, it will completely change the character of this part of Oatlands Drive. The road already has long traffic jams at rush hour which will already be worsened by the flats approved for number 8-14. Our privacy will be completely taken away from us since our front garden is our main garden. This part of the road will be completely over developed in our opinion. It will also devalue our house and make it less desirable.
