Comment: Given the 'Non Material Amendment' application for 8 - 14 Oatlands Drive (2023/0485) to add ugly protrusions on the roof, it be prudent for the Planning Officers to seek confirmation from the applicants that their drawings for this application are accurate and that similar protrusions as in 8 - 14 Oatlands Drive will not be required. Such ugly protrusions are frequently seen in commercial buildings but are totally unacceptable in a residential situation.
