**Comment:** I am supportive of the proposals on the basis that the addition of Padel tennis will ensure St George's Hill Lawn Tennis Club remains a relevant and vibrant club into the future. This sport is fast-growing and without it, over time, it will become more challenging for the club to retain and recruit new membership, possibly especially so in younger age groups.

The club's proposals take into consideration the noise aspects of Padel as compared with Lawn Tennis and therefore this plan is sympathetic to the concerns of surrounding residents.
