Comment: I am fully supportive of this application. Padel is the fastest growing sport in the uk, and Elmbridge currently has few options for padel courts. St Georges Hill is a long standing rackets club with world class tennis and squash - available for the public to view. The Padel development has been carefully designed to fit in with club and wider estate aesthetics and is supported by the club and its membership. It would be a great addition for racket sports in Elmbridge.
