Comment: I write to you in connection with the above both as a resident of St George's Hill Estate where I have lived for more than 40 years and as a member of the Tennis Club.

I am writing in support of the above planning application and would like to highlight my main reasons for support: -

1. It is normal for any Sports Club to improve and enhance its facilities.
2. If the application is successful there will be no increase in traffic as the Club Membership is capped at its existing 4,000 membership.
3. The site is large enough to accommodate this development as it has sufficient space.
4. The Club has taken representations and objections into account in respect of their original plans and modifications have been accordingly made.
5. Acoustic tests have been carried out by professionals on behalf of the Club to ensure that noise levels will not be anti-social.

I recommend that you grant this planning application.
