**Comment:** We were surprised to see this application for 3 outdoor Padel courts has been submitted given the complaints that were made by residents about the excessive noise generated during a trial of the Padel courts last year.

The proposed courts are located opposite us. We are concerned about the proposed position of the 3 new courts along with the new Fitness Centre. It seems that all the proposed development by the Tennis club is taking place at the edge of the plot, where it doesn't cause nuisance or a reduction in the aesthetic to the Tennis Club itself but increases noise, disturbance and light pollution for the surrounding homes.

The Tennis Club has 14 acres of land, with plenty of flat ground for these courts, however, the current plans for the Padel courts are still being proposed to be located at the boundary of the Tennis Club, in close proximity to us and the neighbouring houses. Both the new Fitness Centre and Padel courts should be relocated away from the boundary of the residences, within the club's large plot area.
