Comment type: You object to the planning application

Date of comment: 18 May 2023

Comment: I object to the application on the basis that the proposed buildings are large and unsightly giving a private leafy residential area the look of an industrial estate. The noise from the tennis club is already considerable, particularly since the temporary padel courts were installed. The new courts and gym will place an even greater burden of noise and light pollution on the houses nearby. The closest of these houses being at the top of Ellesmere Road, where many residents were unable to see the application notice which was positioned within the confines of the locked estate, causing them to miss the deadline to object. The club already has full fitness facilities and many courts, and it is unnecessary to over build on the site, ie right to the boundary, thus changing the whole aesthetic of the area and causing additional nuisance to long-standing, long-suffering residents.
