Date of comment: 19 May 2023

Comment: We as a family whole heartedly support this application. The future generation of tennis players will be attracted to padel as the fastest growing sport across Europe. The grounds and facilities at this club are entirely suited to support and promote this exciting new sport and should be fully supported. In such opulent grounds a solution we are sure will be found to make this a win win for members and residents and enable the club and its future and economic contribution thrive
