Comment: I would like to raise serious concerns against the application which is to demolish house number 16 Oatlands drive and build new flats . This is a serious concern. I object the approval of this application due to following reasons

1. There are already new flats coming along and it's going to be extremely crowded with 111 flats in the small location
2. Traffic in the road is a nightmare .introduction of new flats adds to the risk of accidents , pollution
3. These new flats look ugly .they are completely ruining the aesthetics and characteristics of the weybridge town making it a concrete jungle . At the moment the low rise building 16 oatlands drive with trees and garden balances the ugliness created by neighbouring flats .

Please may I request you to consider my say.
