Comment: To Whom it May Concern:

We are writing to voice our very strong objection to the St. George's Hill Tennis Club's plans to construct three padel courts. Our garden is less than 10 meters from one of the Club's tennis courts. We have lived in St. George's Hill for 10 years. We experienced the trial padel court last year and found the noise very disturbing. We are very concerned that the banging sounds of Padel will be heard through out the immediate area. We are troubled by any sound report that says that the sounds of Padel are similar to Tennis. They are very different. Thank you for considering our views.

Kind regards, Asta and Tomas Minikevicius
