

MEMORANDUM

To: Harvey Moodley Planning officer	From: Matthew Pearson Operations Officer Joint Waste Solutions
cc:	Date: 5 th June 2023

2023/0962 - Land North of Raleigh Drive Claygate Esher Surrey

1. Storage

Storage space for the must be large enough to accommodate at least two wheeled bins (one for recycling and one for rubbish) and a food bin. Additional space may be required for larger households, clinical waste needs and/or families with children in nappies who may temporarily require additional bins and residents who subscribe to the opt-in garden waste service.

2. Collection Point

Please can the collection point for the bins be confirmed

3. Internal storage

All units should have sufficient space in the kitchen to segregate recyclable and non-recyclable waste and store it until it is taken out to the bins.

Matthew Pearson
Operations officer
