**Comment:** Completely oversized project for the location. Far too tall and far too big. Four storey buildings - in a sleepy residential area!! This development is out of character with the surroundings so in the wrong location. It must be blocked or halved in size.

Please note that myself and my son saw a kingfisher bird along that stretch of the river this year. It was lovely. The first time my son had seen one.

The council needs to stop clumsy building on green areas. Be strong for once.
