**Comment:** At a recent planning meeting regarding this development the issue of parking was raised in that there are 55 spaces, including 4 disabled spaces, for 74 flats. In reply the developers stated there was off street parking in Broadfields, Southfields and at Imber court Sports Club. I can categorically state there is NO parking at Imber Court Sports Club. The car park is for those people who are using the clubs facilities. NO arrangement has been made between the developers and Imber Court Sports club to facilitate any residential parking.
