Comment type: You object to the planning application

Date of comment: 26 Jun 2023

Comment: I object to the planning application due to overdevelopment, high dwelling density, and impact on neighbourhood character. The impact on local traffic, especially ember lane, Hampton court high street and surrounding areas will be significant and are already heavily congested at peak times. I also object to the dwellings being built in the style of city centre apartments, completely against the local area.
