Comment: The entrance to our site is continually impacted by the traffic from Orchard Lane Unlimited Zone, rendering it difficult for us to depart, particularly during events at Imber Court. As per the site's architectural plans, they have not provided an adequate number of parking spaces to accommodate their apartment residents. Consequently, more vehicles are likely to park on the unmarked roads in the vicinity, causing further congestion on Orchard Lane. This could potentially hinder the access of emergency vehicles such as ambulances or fire engines in critical situations.
