Comment: It is overdevelopment for the area, with no promise of or increase in local services. The nursery local to us for example is already impossible to get into resulting in us having to drive to an alternative childcare setting. The traffic and congestion on Ember Lane is already at unacceptable levels and often dangerous. Locals will use the imber court amenities and will park on ember lane often making it extremely dangerous to get in and out of your driveway or to cross the road, this will make that situation worse.
