Comment: Yet another block of flats with insufficient parking which will overflow onto already over-parked local roads. Also, even more traffic turning onto and from Oatlands Dive close to a currently excessively busy junction. In addition to the other new flats close to the junction with NZ Ave, residents will queue to enter the flats from the Walton Bridge end. Will there have to be serial Keep Clear gaps; backing up the queue from Oatlands?

This over development of the river side of Oatlands Dive has to stop!
