Comment: This objection is regarding to traffic and parking issues. Oatlands Drive is already massively jammed up at peak hours already, particularly at the Walton Bridge end. More building work and 33 more flats right next to the bridge will make this a lot worse. If you are wondering why Walton town centre is dead, with boarded up shops (compared to Cobham and Weybridge) then traffic and parking are major contributors for people to avoid the area. It is not rocket science.
