Comment: So, we now have an amended application to this sorry saga. No amount of amendments is ever going to change people's minds over this monstrosity that is being proposed by these underhand developers. We already have too much overdevelopment in this area. Total destruction in Oatlands Drive is taking place before everyone's eyes. Can nothing be done to put a stop to it? The sheer volume of traffic alone, not to mention the fumes causing health problems. The environmental side of things is incredibly sad. You're taking away a lovely area and replacing it with concrete boxes. Just not right. Someone needs to step up and put a stop to this bullying by developers.
