Comment: The further impact that this development and its lack of sufficient on site parking will have on Ashley Close is quite horrifying! We are already experiencing, on a daily basis, extremely dangerous situations whereby the access in/out of the Close is hugely compromised. Additionally the dangers trying to exit/enter our driveway due to the excessive numbers of cars now using this Close as a car park has resulted in multiple 'near misses' involving both pedestrians and vehicles! The visibility/safety is already greatly reduced and quite frankly unless this is addressed I feel it's only a matter of time before there is an accident and this is before any further potential developments are also using this 'Close' as a car park rather than the developers providing sufficient on site facilities!
