Comment: I object to the development because of inadequate parking facilities and safety for the residents of Ashley Close. This will have a knock-on effect to Ashley Close which is already suffering from over-parking from contractors' vehicles let alone parking for the Ashley Open Space and for shopping/working in Walton. Their plans show an inadequacy of the number of the Development Residents' who will want to park their cars. For the developers' to quote 'that there will be ample space for them to park in Ashley Close' shows a deliberate lack of concern/knowledge of the local area. Not only that, the current over-parking is causing a safety problems which will inevitably lead to an accident.
