**Comment:** I live midway along Claygate Lane between the accesses to both schools opposite. As a regular car user I experience the full effect of traffic during drop off/pick up times for the schools together with commuters to and from the A309, making it difficult to get on/off my driveway, some drivers very reluctant to let cars onto the lane.

Having looked at the proposed development plan I feel it is totally out of character with the existing neighbourhood plus the loss of the green belt woodland area thus I object to this development.
