Application number: 2023/2860

Application address: Land at 12 and Land West of 10 to 26 Claygate Lane Esher Surrey KT10 0AQ

Name: Mrs Marshallsay

Address: 9 Cumberland Drive, Esher, Surrey, KT10 0BG

Comment type: You object to the planning application

Date of comment: 03 Dec 2023

Comment: I object to this application. the area of natural, untouched woodland is a wildlife corridor, and a wonderful home for animals such as foxes, badgers, hedgehogs, various birds and various insects etc. to lose this greenbelt area would be devastating and harm the wildlife. the traffic on Claygate Lane is already busy as it is with the residents, parked cars on the roadside, and the two schools, plus a nursery in Hinchey Way. And so, the increase in traffic would heavily implement the already busy, and congested Claygate lane.

it would have an awful impact on the traffic on the already overly busy Claygate Lane, not to mention the safety of both children and adults while crossing the road, putting pedestrians at even more risk.

building houses on this plot of land means a loss of privacy for myself and my fellow neighbours, making it feel overcrowded. Currently our outlook has natural woodland with no visible houses, but this new housing plan means that houses would be visible, and the communal lawn area would generate noise and disturbance, to what has been a quiet and peaceful environment for us to live in for the past 35 years.
