**Comment:** The proposed development will increase the traffic flow on Claygate Lane, which is classed as a lane not a road. Access road into proposed development will be very tight and very close to nos. 10 & 14. Loss of privacy in back gardens threatens surrounding properties, which is

probably one of the reasons residents bought their houses originally!

An oasis between Cumberland Drive and Claygate Lane will be destroyed and all the vital wildlife gone forever. The felling of precious trees, which we need more than ever to save our planet from destruction, is so wrong and heartbreaking.
