Date of comment: 07 Dec 2023

Comment: I object to this application for the following reasons:

- 1) The surrounding road infrastructure is already heavily overloaded, during school opening/closing times in particular.
- 2) The excess traffic already prevalent within these roads means that Cumberland Drive becomes a car park during school drop off. Not only is this inconvenient for the residents but means the road and surrounding pavements are in a constant state of disrepair due to overuse.
- 3) There is insufficient infrastructure in this area to accommodate more residents, have you tried to get a GP appointment recently?
- 4) On safety grounds, excess traffic is dangerous for the children at the schools.

All of the above would be perpetuated by further houses being built; we are already overpopulated.
