Comment: This is an utterly ridiculous plan. There is already enough congestion on Claygate lane in the mornings and afternoons causing traffic and leading to people already driving dangerously. The road is very busy with the traffic from the secondary and primary schools.

This development plan is very out of character for the area we live in. There are mainly detached houses around this area, something that attracted us to this area. This proposal is failing to respect the residents of the local area.

This will destroy the beautiful, natural habitat and trees along the bit of land as well as cause significant upset to the residents of Claygate Lane and Cumberland Drive.
