Name: Mrs Tromans

Address: 133 Claygate Lane, Esher, Surrey, KT10 0BH

Comment type: You object to the planning application

Date of comment: 08 Dec 2023

Comment: I object to the proposed development plans on the basis that Claygate Lane outside Hinchley Wood primary and secondary School is already extremely busy at various times of the day and school children cross the road at various points without any crossing (there is a crossing lady, but only for very limited times periods outside the primary school). The increased traffic from construction vehicles during the building process and afterwards from an increased number of residents and their guests/deliveries will pose a safety risk to the children who are often walking without any adults. The additional traffic will also increase pollution levels in an already polluted area (from the A3 and dual carriageway immediately at the end of the road) which will have detrimental health implications for children at both the primary and secondary school (the primary schools playground is adjacent to Claygate Lane), together with local residents. The increased traffic will make the roundabout at the top of Claygate lane much more dangerous than it already is and add to the heavy traffic load currently in surrounding roads. There have been a number of accidents on or around this roundabout.
