Comment: We used to live in no 12 from around 1960 till we married, my late mother lived there till 2005, over 40 yrs. the traffic in Claygate Lane got worse and worse over the years and when we recently went past we could find no parking space. The destruction of no 12 will result in a major increase in traffic . The nature of the houses in Hinckley Wood would be significantly affected. I remember in very wet weather the garden would get very saturated and this proposal will have a major effect on flood risk.
