Comment: I was born in Cobham and have lived here 67 years, I have walked my children and grandchildren to school, and I can honestly say that the traffic along the Portsmouth road has gotten worse, I've been in traffic jams for over half an hour just heading to the free school, and your plan for a new build is simply ridiculous, and clearly hasn't had any thought for local traffic; on top of this, at the top of old common, besides the Portsmouth road there is a pond which is home to endangered species, notably the great crested newt, which has been photographed, amongst others, and this construction will disturb these species.
