**Comment:** The loss of privacy and loss of light to every property that surrounds this development drainag/ parking not inkeeping with surrounding properties over development of the actual site size this will cast my entire garden with shadow i will not get any sunlight at all i will also be totally overlooked so total loss of privacy i strongly object to this development its more flats than houses the height of the properties is out of character for surrounding area ftinage issues this site will have a detrimental affect on all the properties surrounding it plus the increased traffic pollution etc
